

The Ambassador Bridge is the longest suspension bridge in the world, and connects Detroit, Mich. and Windsor, Canada. Its dimensions are; length of main span 850 feet, total length 2 miles. The height over the river is 152 feet.

Dear Ones in Dogville  
My sister & I just returned  
from Portland, Ind. Thanks  
giving we all were with our  
sister Doris in Monroe, Mich.  
there were twelve for dinner  
five were unable to come, as  
the ice & snow was heavy on the  
highway. We have had a heavy  
snow fall this A.M. Shall  
start west Monday with a stop  
over in Salt Lake City. Lots of love  
D.S.
